

the Linden

2 Bedroom, 2 Bath | Approx. 1,230 SF

The Linden was designed with your comfort in mind: the seamless plan will truly cultivate carefree, everyday living. The private, covered side entry porch leads you into an inviting foyer with a convenient coat closet. The adjacent great room, nook and kitchen feature an open concept design with a bay window, plus options for a second bay window, gas fireplace and deck, which create a welcoming ambiance. The kitchen's angled snack bar, pantry and ample counter space are perfect for cooking enthusiasts. The attached 2-car garage is adjacent to the laundry room, which features a full-sized washer and dryer.

An oversized walk-in closet plus a private full bath with soaking tub create the ultimate retreat in the owners suite. The second bedroom is enhanced with its own private closet as well as an adjacent full bath with soaking tub, perfect for additional family members or guests. **The Linden** plan is primed for the ultimate easy-living experience.
