At the *Shorewood*, you can have it all — the ultimate combination of amenities and comforts. A private entryway leads you to the grand foyer, with the open concept great room, dining room and kitchen just beyond. This central gathering location offers an optional bay window and gas fireplace to enhance the ambiance. The snack bar provides intimate seating, and the wet bar is perfect for entertaining. First-level laundry plus a drop-zone adjacent to the attached two-car garage allow residents to easily navigate daily life.

The spacious master suite is a haven for relaxation with its optional bay window, master bath with optional soaking tub and dual walk-in-closets. The additional first-level bedroom is perfect for a second private retreat, offering a walk-in-closet and adjacent full bath with tub. The second-level loft provides more space for unwinding: another full bath plus a balcony overlooking the great room below make this a comfortable nook.
